OUR VISION

All children and youth discover and achieve their dreams and grow up to be healthy, successful, and active participants in society.

STRONGER CONNECTIONS

This past year has been another year of many challenges the club has endured due to the pandemic. Staff and members have shown much resilience as we moved from virtual programs to in-person programs back to virtual programs. Over the year, we have learned how incredibly vital our services have been in supporting our children, youth and families. Many of whom who have experienced their own overwhelming challenges themselves during this difficult time.

We are so grateful to the amazing staff that we have on our team who were so flexible and adaptable to the ever-increasing changes throughout the year. We are also grateful to our Board of Directors for their leadership and expertise in providing insightful information as we manoeuvred through the rapid changes in government legislative policies due to the pandemic. Without a dedicated, enthusiastic and passionate team surrounding our organization, we wouldn't be able to do the work that we do. That is, providing a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

Many thanks to our funders and donors who believed in the work that we were doing and supported us throughout the year. A special note of thanks to BGC Canada, Jason Blaine Charitable Fund, United Way East Ontario, Delta Bingo and Gaming Centre and Gerry Binhammer Endowment Fund.

As we look ahead to 2022, we look forward to a new name change, new programs, and new satellite locations which will allow us to serve more children and youth in our area and surrounding communities.

Sincerely,
Rhodina Turner & Rick Dickinson
